DEH RESUMES ORIGINAL PERMIT CENTER OPERATION SCHEDULE

The Department of Public Health and Social Services is pleased to announce to the public that its Permit Center services in Upper Tumon will resume its original schedule effective August 31, 2016. The Division of Environmental Health (DEH) will begin entertaining individuals seeking Business Clearances and Sanitary Permit on Wednesdays and Fridays. Pre-operation inspections will continue to be conducted on Tuesdays and Thursdays.

The temporary relocation of services to Mangilao Public Health that was in effect earlier this week was necessary in response to the departure of the lone DEH staff assigned to the center. Until his return, the Division will be assigning two permit trainees at the center; thus, we ask the public's patience as there may be delays in reviews and clearances of submitted applications.

For information and inquiries, please contact the Plans and Specifications of the Division of Environmental Health at 735-7221. Thank you.
